ONTARIO FOOD TERMINAL BOARD

165 The Queensway
Toronto, Ontario
M8Y 1H8

August 8, 1990

The Honourable David Ramsay
Minister of Agriculture and Food
Parliament Buildings
Queen's Park
Toronto, Ontario

Dear Sir:

I am pleased to submit the thirty-sixth annual report of the Ontario Food Terminal Board for the fiscal year ended March 31, 1990.

The financial statements on the following pages show the Fiscal 1990 results compared with the previous year ended March 31, 1989. The net income for the year was $57,894 compared with $163,581 in 1989. The main reason for the decrease was because of higher than anticipated expenses in realty and business taxes, repairs and maintenance, interest costs, insurance and legal fees.

Capital expenditures totalled $864,169 and included the following major projects: the architects fees for the C Units $111,893; the construction in progress for the new cold storage addition $480,275; dock resurfacing $41,140; additions to the waste recycling area $21,425; new telephone ducts and conduits $15,340; additions to the waste compactor $16,704; a new police car $14,425 and tenants waste removal bins $17,841.

The overall tonnage received at the Terminal during the year was 840,750 tons compared with 843,000 tons in Fiscal 1989. The reason for this decrease was the freeze in Florida, which affected market tonnage in January and February.

Construction of the Board's new cold storage started in February 1990 and should be completed by November 1, 1990 in time for the Christmas period.

In closing I would like to offer my thanks to my fellow Directors and Board staff along with the Buyers, Tenants, Suppliers and personnel from the Ministry of Agriculture for their support and assistance during the past year.

Yours sincerely,

Allan Collins.

Allan Collins,
Chairman of the Board.
